## THE SHOW

**Join Mr Jeff and unleash your imagination with this ever-popular, family-friendly, award-winning Show!**

Be blown away by his exceptional technical skills and find yourself with a contagious grin, watching amazing circus, hilarious antics and impossible magic.

Offering a plethora of whimsical wonders, The Quizzical Mr Jeff presents audiences with an opportunity to be transported into the most fantastical and vivid adventure of novelty and illusion.

Don't expect any card tricks or long winded monologues, instead prepare yourself for an unreasonably sized balloon with the ability to eat a human whole, a golden cane unrestrained by the grasp of gravity and the ability to pull light out of a light bulb and hold it in his hands.

Every moment is filled with action, every movement is amplified by sound effects. It's cartoonish yet sleek and always focused on harnessing the experience of the observer to create joy and awe.

**The enchanting world of the Quizzical Mr Jeff awaits!**

“ I was totally entranced from start to finish.  
Mr Jeff is a multi talented performer with impressive

comedy and audience interaction.

# AUDIENCE

**The Quizzical Mr Jeff is truly an all ages show.**

Our main target audience is families as they are often actively seeking things to do with their kids that they can also enjoy. Families usually come in groups and are part of communities that they engage with.

The show plays well for kids of 5 years+ as there is very little talking and there is so much action that kids fully engage and enjoy the show the whole way through. Matinee shows and early evening or afternoon shows work well for these audiences.

This show also does well on cruise ships which are primarily adults and seniors because the skill level is very high so it's engaging for adults.

The Quizzical Mr Jeff can also be put in an evening slot as a cabaret and dinner show if you have a thriving adult theatre audience.

- ✔ **Loved by kids 5 & Up**
- ✔ **Engaging for Adults**
- ✔ **Great for Families**
